LINK Bahamas
and

Artist Kishan Munroe's Universal Human Experience Project

Topic: Responsible Citizenship/Global Connections

Keynote address by Dr. Davidson L. Hepburn
(former Bahamas Ambassador to the United Nations)

Thursday, December 27, 2007

7 pm – 10 pm

Sheraton Cable Beach Resort Ballroom

Contact: info@linkbahamas.org

LINK Bahamas is a community outreach program focused on connecting Bahamians around the world and helping to leverage their skills, talents and networks. Through its programs, LINK Bahamas will engender national pride, encourage social networking, promote greater responsibility to our communities, and support the advancement of all Bahamians.

The Universal Human Experience

With paintbrush and camera in hand, artist Kishan Munroe has planned an ambitious trek around the world. Through his imagery, he'll tell the many and varied stories of human struggles and triumphs in the hope of finding a common ground. This 12-month project involves travel to over 19 countries (spanning 6 continents) and will be documented via multi-media.
